RE: Notice of 2022 Rate Increase

In accordance with the Management Agreement ("Agreement") between the District and Special District Management Services, Inc. ("SDMS"), at the time of the annual renewal of the Agreement, the hourly rate described in Article III for management and all services shall increase by the CPI (5.28%) per hour.

We hope you will understand that it is necessary to increase our rates due to increasing gas and operating costs along with new laws and rules implemented by our legislature.
